

A decorative circular graphic featuring a floral wreath. The wreath is composed of various flowers, including purple and pink roses, purple daisies, and small purple blossoms, interspersed with green leaves and white fern-like foliage. The wreath is set against a light gray circular background. In the center of the wreath is a white rectangular box with rounded corners containing the word "Welcome!" in a gold, cursive font. The entire graphic is framed by a dark, textured circular border.

Welcome!

WHAT IS DIGITAL PORTFOLIO :

A digital portfolio is a collection of examples of your work that's all accessible online. Typically, you only include your best work in your portfolio so it can showcase your professional competencies , technical prowess and creativity.

PROBLEM STATEMENT :

Design and develop a personal portfolio website using HTML for structure and CSS for styling, with the primary goal of effectively showcasing skills, projects, and professional information to potential employers or clients. The website must be visually appealing, user-friendly, and responsive across various devices and screen sizes.

PROJECT OVERVIEW :

Step 1: Creating the HTML Structure. First, we create the basic structure using HTML. <! ...

Step 2: Adding CSS for Styling. Now, let's style our portfolio using CSS. ...

Step 3: Running the Code. Save the HTML code as index.
